

Accelerating Clean Energy Savings in Alaska's Coastal Communities (ACES) Heat Pump Rebate Property Owner Permission Form

Your tenant, _____ is applying to receive a rebate to install a heat pump in their residence through an Environmental Protection Agency (EPA) Climate Pollution Reduction Grant (CPRG) administered by Southeast Conference (SEC) and Alaska Heat Smart (AHS). The rebate will be \$4,000, \$6,000, or \$8,500, depending on the tenant's gross annual household income. AHS will provide a no-cost home energy assessment to help identify potential heat pump system options for the residence. If your tenant receives a \$4,000 or \$6,000 rebate, they will be responsible for selecting and working with the necessary contractors and electricians to complete the heat pump installation and pay associated invoices in full. They will then submit a reimbursement packet to AHS and be reimbursed their rebate amount. If your tenant receives an \$8,500 rebate, they will have the option to use a program-managed contractor. In that case, SEC will pay the rebate directly to the contractor and your tenant will be responsible for any costs above the rebate amount. To learn more about the ACES program, you can visit our [website](#).

Please direct any questions or concerns to (907) 209-5717 or aces@akheatsmart.org.

Home information:

Tenant/resident name: _____

Physical address: _____

Email: _____

Phone: _____

Owner Permission:

As the home or building owner of the above mentioned property, I (we) confirm that I (we) have the authority to sign this letter of permission and hereby authorize AHS staff and contractors to provide a home assessment help to identify potential heat pump system options for the residence. I understand that neither AHS nor SEC are liable for any work completed by the contractor. Agreements regarding contractor selection, payment, and the scope of work to be completed are between myself, my tenant, and any contractors involved in the project.
